CHARLESTON, WEST VIRGINIA**

AMSTED GRAPHITE MATERIALS LLC
Appellant,

Appeal No. 21-04-EQB

v.

**DIVISION OF WATER AND WASTE
MANAGEMENT, WEST VIRGINIA
DEPARTMENT OF ENVIRONMENTAL
PROTECTION,**

Appellee.

Motion for Continuance

Now comes Appellant Amsted Graphite Materials, LLC (“Appellant” or “AGM”), by and through its undersigned counsel, and requests that the hearing in this matter be postponed and re-scheduled for the January 2022 docket of the Environmental Quality Board (“Board”), or as soon thereafter as is convenient for the Board. In support of its motion, AGM represents as follows:

1. AGM’s pending appeal of certain terms and conditions of its renewed WV/NPDES Permit No. WV0004707 (the “Permit”) issued by the West Virginia Department of Environmental Protection (“WVDEP”) is included on the Board’s November 2021 docket;
2. During the pre-hearing conference on November 4, 2021, based on the ongoing negotiations to resolve appeal issues, and based on the Board’s schedule of previously filed appeals that are scheduled to proceed during the Board’s November hearing dates, the Board considered moving this appeal to the January 2022 docket for hearing;
3. The parties are continuing discussions to resolve issues raised by the appeal; and

4. The parties believe that postponement of the hearing will allow for completion of discussions between the parties, thereby promoting judicial efficiency.

WHEREFORE, the Appellant in this matter hereby seeks a continuance of the November 2021 hearing, and requests that the hearing in this matter be re-scheduled to January 2022 hearing docket or as soon thereafter as is convenient for the Board.

Respectfully submitted,
